

SPONSORSHIP PROPOSAL

Overview:

This is a Sponsorship proposal to collect the fund for the conduction of hackathon. On behalf of United Tech Club, we would like to extend an invitation to you to become a sponsor partner of our U-TEC Hackathon Alpha program.

About Us:

United Tech Club is a group of creative and innovative students at United Technical College, which follows the policies of the college to conduct activities related to Science and Technology, and helps and encourages creative and innovative students to carry out different activities that could be helpful to everyone in the college.

Our Mission/Vision:

The program aims to create functioning software or hardware by the end of the event that have potentiality to solve the existing problems focused towards a particular theme.

Event:

U-TEC Hackathon Alpha is an event going to be hosted by United Tech Club, where technology enthusiastic students from all around the nation get together for a short period of time to collaborate on a project (usually an economically viable project). The participants work rapidly with or without sleep to achieve their goal in completing their projects as the event will be limited to certain number of hours. Hackathons are suitable for all range of students, new programmers, and even seasoned professionals with or without a background in programming. Not only that this kind of event is fun and competitive for the students, but it is also a good source to get popularity in short duration for both organizers, sponsors and competitors.
